23rd ANNUAL AURORA GOLF CLASSIC

In the words of our board President, Robert Robinson:
“It was a wonderful day in the neighborhood of the Toledo Country Club on Monday. The 23rd Annual Aurora Golf Classic presented by Owens Corning was held under perfect weather conditions (thanks, Robert Shiels!). 6 teams led off during the morning flight, followed by a full complement of 31 teams during the afternoon. A delicious lunch was prepared for the golfers by Extra Virgin Food Services. After golf, the participants enjoyed dinner and heard from Nikki, a former resident who told a compelling story of how Aurora changed her life. Joe Rychnovsky, Honorary Chair, made an impassioned case for Aurora, and kept the program moving.”

This year’s outing netted approximately $12,000!

This year’s winners included:
1st Place Team: The Blarney
2nd Place Team: Gerald Keller, Kelly Keller, Keith Tammarine, Andy Younker
Media Challenge: Great Lakes Golf Today
Long Drive-Men: Bill Kline
Long Drive-Women: Alyssa Grevenkamp
Closest to the Pin: Michael Leone

Workplace Giving Programs

Fall is the time for Workplace giving campaigns, whether it’s Community Shares, United Way or another giving program your employer supports. Through such programs, employees can make a general donation to be utilized in a community fund or if you wish to support Aurora House, through one of these giving programs. Simply write in your Aurora House designation on the pledge sheet provided by your employer (see samples to the right).

Employees can choose to donate in several ways: cash, check, credit card, or payroll deduction. Whether your company does payroll in-house or through an outside source, implementing automatic payroll deduction is a simple process that requires no more time than implementing any other deduction. Simply visit either your human resource or finance department and tell them you would like to donate to Aurora House through payroll deduction. Your designation of $30.00 assists Aurora in providing essential programming and services for one day, to the women and children who reside here.

Support Aurora and your community by participating in a workplace campaign!

Double your donation with a Matching Gift

Many employers sponsor matching gift programs and will match any charitable contributions made by their employees.

Check with your human resource or finance department to see if your company offers a matching gift program. If your company has a matching program, request a matching gift form, complete the form and forward your company’s matching gift procedures. Your company will notify you once they receive your matching gift request. The impact of your gift to Aurora House may be doubled or possibly tripled! Some companies match gifts made by retirees and/or spouses.

Lori’s Story

Aurora is privileged to recognize Lori, a current guest of our program. Lori became acquainted with Aurora in March of 2016 and since her involvement, we have had the opportunity of watching her blossom and grow. She not only has completed all of our programs but serves as a role model for newer women just entering Aurora. Lori not only serves as a mentor for other guests; she assists them with learning the various bus schedules, serving as a tutor, and at times providing a bit of fashion advice!

In addition to helping others engaged in Aurora services, Lori has carried this giving spirit back into the community by volunteering with Mobile Meals. She and one of her support persons deliver meals to shut-ins and people unable to leave their homes to purchase food or who are unable to prepare a meal. Currently, she assists in the delivery of food to about 10 people per trip and enthusiastically reports how rewarding this experience has been for her.

Though Lori credits Aurora for assisting her in her journey; we wish to extend our sincere appreciation to her for her willingness to help others and for giving back to our community!
